EUROPEAN CHAMPIONSHIP 10M, 2021

The organizing committee of the European Championship 10m 2021 has decided today, that we cannot organize the WSPS ECH2021 (nor the ESC ECH2021) in Finland due to the Covid-19 situation in Europe and in Finland. We are very sorry that we had to make this decision. It was made after careful consideration and consultation with our Covid group, Lohja health authorities and Finnish authorities. We cannot guarantee the health security for athletes, officials and volunteers.

We hope your understanding.
